For DIY hire Chocolate Attraction will provide

- One chocolate fountain.
- 4kg of unmelted chocolate and cocoa butter, plus an additional 2kg of unmelted chocolate (& one pack of cocoa butter). This additional chocolate is supplied on a consignment basis in the unlikely event that you burn a batch of chocolate during melting which can't then be used in the fountain. If the extra chocolate is returned unopened after your event you will not be charged for it.
- Full operating instructions
- Any extras, e.g. dipping foods, napkins and forks you have ordered.

Please note, this option does not include any delivery or collection service.

Chocolate

Only chocolate provided by Chocolate Attraction is to be used in the fountain. Unless you make a specific request your fountain will be supplied with our standard milk chocolate. A lot of our customers choose a blend of 3/4 milk chocolate and 1/4 dark chocolate. This is a great way of keeping all your guests happy—the dark and the milk eaters. There are no refunds for unused chocolate (except for the consignment chocolate detailed above). The chocolate supplied may contain traces of peanuts or other nuts.

Extra requirements

We recommend that you use:

- A sturdy table, a minimum of 75cm in diameter/width.
- A power socket or extension cord within 1 metre of the table.
- A plastic tablecloth which can be thrown away at the end of your event (we also sell these!).

Client agrees to assume full responsibility and liability for any and all claims arising out of the use of the chocolate fountain or its fountain attendants. Chocolate Attraction will not be held liable for any injury, allergic reaction, loss or damage directly or consequently arising out of the use or rental of the chocolate fountain.
